

Bilborough Arts Festival

Sat 29 June
- Sat 6 July
2019

Celebrating local creativity
with a week-long
arts festival across
Bilborough.

Discover regular creative groups
and try out taster workshops.
Hear from young musicians and
local poets and see artwork
created by people of all ages.

Bilborough Library and Community Centre and a number of other community spaces and schools get involved to create a full week of events for Bilborough Arts Festival.

Have a look at the 'at a glance' guide and map to discover what's happening where!

Most activities are free or have a suggested donation as we want the festival to be as accessible as possible.

Join us for the launch event on Saturday 29th June and together let's get creative!

"It was brilliant because it brought a lot of people together that you wouldn't normally meet.

We had a film show at Lincoln Court, and bringing people together as a community is what it's all about.

We went to the workshops with mosaics last year and it was superb. We all looked at each others work and encouraged each other."

Lincoln Court resident.

"In the planning of the festival, it's really helped us get to meet others and make new contacts and network."

Margaret, local resident

WELCOME

I'm delighted to welcome you to our third Arts Festival, sponsored by Bilborough councillors.

The idea for a whole week's festival came three years ago when we organised an exhibition of artwork from Bilborough schools and local artists in Bilborough Library. The success of this led us to get a group of residents together to organise a week of events in July 2017 and another in July 2018. We wanted to show that 'arts' included such a wide range of activities that there would be something for everyone.

So far we've featured: impressive exhibitions in Bilborough library showing paintings, drawings, photographs and sculptures by local artists; in other venues we've had music – rock and jazz, drumming, dancing, clowning, creative workshops for toddlers, families and older people, films, a craft fair, a heritage walk, Tai Chi, knitting and crochet, storytelling, a word fest and much more. We've involved schools, churches, independent living schemes and lots of local residents.

As you'll see from the programme there are events for all ages from toddlers to our older residents. We're delighted that most of our schools are taking part again this year as well as local care homes and independent living schemes. One of our aims is to bring younger and older people together, which benefits both groups.

We hope you enjoy our Festival. We're always looking for more volunteers so please get in touch if you'd like to be involved in planning next year's festival.

RSC ASSOCIATE SCHOOLS PARTNERSHIP

Bluecoat Beechdale Academy and Oak Field School and Sports College are delighted to be part of this year's Bilborough Arts Festival, as members of the 10 RSC Associate Schools Partnership in Nottingham.

These schools work with the Royal Shakespeare Company in Stratford, The Theatre Royal and Concert Hall in Nottingham and the P6P Partnership Lead. The aim is 'enthusing staff and children with the wonder and challenge of Shakespeare across the curriculum, in all key stages and for all settings. Creating opportunity, developing talent and extending reach and impact together.'

Working with teachers and associate artists, Martha Toogood, Liam Maloy and Jane Stockley, in music, dance, visual arts, drama and creative writing, students have produced performances, films, songs, soundtracks and artwork to express ideas and understanding of Romeo and Juliet. You will be able to see artwork created by pupils from Bluecoat Beechdale Academy at the group artists' exhibition from Saturday 29 June - Thursday 4th July at Bilborough Library and Community Centre. You can visit Oakfield on Wednesday 3rd July, from 9.30am - 11.30am.

A special feature of Bilborough Arts Festival is our annual schools' showcase - where local schools invite the wider community to join them, for an hour at the end of the school day, to see artwork produced by their pupils. This is your opportunity, as parents and visitors, to celebrate the amazing creativity of children in Bilborough.

BArts is pleased to be part of ChalleNGe, Nottingham's Cultural Education Partnership.

ChalleNGe supports collaborative approaches to develop Nottingham's cultural offer - making sure it's relevant, inspiring and accessible to more and different children and young people across the city.
